Messrs. Sarsell Perkins & Co.

Gent.

As annexed you have a list of sales of Nails to date showing a bal. due you of \$449.74.

You will perceive that we have no 10 or 12<sup>d</sup> Nails on hand and as we have had none for several days I am anxious that you should send some of these sizes if no other immediately. The Boston packet is now ready to sail hence I will probably arrive in Boston by Wednesday & should my health warrant it I shall start in a few days myself for that city. Now 4<sup>d</sup> Nails continue to be made the same old size which I very much wish might be improved as before urged.
