

go over soon and make a short visit Eddie is  
very well and as fat as a butch he frequently speaks  
of you he says "Millie cried" you know you used to  
make believe cry when we was down. He knows  
all his letters he always wants a book I hope he will  
love them as well if he should live to be old enough  
to read them. we are having quite a snow storm  
people are hoping we shall have enough to have  
make sleighing as we have not had any we have  
had Massachusetts Autumn of winter thus far.

we will send you some papers you may keep  
the transcripts as we save them.

George has gone to the Division but he told me to  
give you his love do write to me soon

it is growing late so I will bid you  
good-night from

Sister Isabella
