

father health is ver good at present
and wats you to come how very much
he thinks very strange of your havt
writeting before now do come how
as soon as you can but if you cannot
come home doe wright as soon
as soon as you get this letter

Received three few lines
from your Brother

Edwin S Shaw

I for get to tell you that farther and I
had built us a house and } I have moved
into it if you come home come down the mill road
I will find us there
